Re: *Revision of Part 15 of the Commission's Rules to Permit Unlicensed National Information Infrastructure (U-NII) Devices in the 5 GHz Band*, ET Docket No. 13-49

Dear Ms. Dortch:

On December 21, 2018 Diana Carew of RAND and I met with Giulia McHenry, Acting Chief of the Office of Economics and Analytics, and Aleks Yankelevich and Paul LaFontaine, of the Office of Economics and Analytics. Ms. Carew discussed a new report from RAND titled "The Potential Economic Value of Unlicensed Spectrum in the 5.9 GHz Frequency Band: Insights for Future Spectrum Allocation Policy," using the attached slides.

Pursuant to the FCC's rules, I have filed a copy of this notice electronically in the above-referenced docket. If you require any additional information, please contact the undersigned.

Sincerely,

Paul Margie  
Counsel to Comcast Corporation
